ROCKY POINT FIRE/EMS BOARD NEWS

Four Board members and the Fire Chief met at the June meeting and approved minutes and financial matters. Chief reported 1 public assist (wires down), 2 medicals with transport, and 1 illegal burn. That brought the year's total calls to 23, down from 30 in the past year. Volunteers participated in 42 hours of training, with 206 for the year. Aspen Room was used 4 days by Quilt and 3 hours for Wildlife Management Symposium.

The state audit is still pending. New business announcements consisted of a \$400 purchase of the old fuel tanks, which have been removed. The Board signed the OWIN resolution, achieving statewide communications for emergency responders.

Greg thanked everyone for attending the Risk Management Training meeting, and the Board adjourned.

Come to any of the meetings on the 2nd Tuesday of each month. **Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.**

THE BBQ WAS HERE

And what a dandy it was. Warm temps and clear skies brought the masses to the fire department, where 500 meals were served. The VFA event generated between 9 and 10 thousand dollars, most of it

earmarked for fire department items and projects. Attendees kicked off the day with a parade, followed by flea market shopping, live music, an awesome auction, pop, beer, and vendors.

Annie Wicklund and her able multi-day crew of flea market collectors, pricers, and arrangers get the gold star for again breaking an income record in that area—almost \$3300.

Success is due solely to the unselfish hard work contributed by a huge number of Rocky Pointers and friends, work that began months ago. Thank you everyone, for your role in helping support the health and safety of our little community and its visitors.

Fire Chief Greg Sullivan, when asked who would receive the Citizen of the Year Award, replied that if anybody looked around on that day, it would be impossible to choose any one person. So congratulations to everyone, for being citizens of the year every day of the year.

RUNNIN' AROUND

Seems like all of our area has been running around somewhere, beginning with the **Metlers**, who spent some great time in Arizona during May visiting family. Most of the local **Griebs (Dean, Jim, & Frankie)** headed for California country for a reunion.

Jean VanHulzen visited her sister also in California, then came home to load up **Al** and the RV for an Idaho jaunt. Also in Idaho were **Dean & Diane Grieb** for yet another family reunion.

On the subject of reunions, **Mary Tracy** went back to stomping grounds in Maryland, where her whole darned family served as marshalls for the local parade. Before we leave reunions, the **Hedges** took over Lake Tahoe to celebrate kin and connect with Meridel's side of the family. **Cyndi Tompkins** left Howard to fend for himself for more than a week, while she helped their son, daughter-in-law, and brand new grandson move to Colorado.

Rusts loaded up the truck and camper to explore more regions of Canada. A fringe benefit to this great trip was visits with both children and all grandchildren both directions. **Doris** retrieved a granddaughter

from the airport, then hung with her and other family in Portland, before hauling some of them back here for the BBQ. Finally, **Donatos** were able to include some fun in a medical visit by stopping off at Carson City to visit a brother.

GENERAL HOSPITAL

Wishes for a speedy and complete recovery to **Ward Wileman**, who just had surgery.

WE'RE PROUD

Congratulations to **Joe Miranda**, who married **Tara Campbell**. Rocky Point was well represented at the wedding, with Doris being the biggest celebrator.

Mike & Sharna Igou hosted their daughter's wedding right here in Rocky Point. The best to that new couple.

Congratulations also to **Dwayne McIntosh**, who missed the BBQ to win the Best GM with his '56 Chevy at the Harvest Ford Show 'N' Shine.

Thanks to **Linda Nickels**, who volunteered to help **Al VanHulzen** with lawn-mowing duty at the fire hall.

Janet Erl's art work has been accepted for gallery display in Connecticut, Seattle, Houston, and Brookings. This accomplished artist also has showings at Two Rivers Gallery.

FROM THE READERS

The great people of Rocky Point also responded in fine form to the fire department's request for blankets to carry on

board the response vehicles. Hold off on those donations until further notice too.
