## ROCKY POINT FIRE/EMS BOARD NEWS

Too many Board members were running around to staff a quorum, so the June meeting was cancelled. We'll catch you up on all the current happenings next month.

You're welcome at any of the meetings the 2<sup>nd</sup> Tuesday of each month. Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.

#### WHAT A BBQ!

In spite of thundershower threats, the throngs turned out for our big July event. The entertaining parade kicked off the festivities, complete with Butch Briery's band of marry musicians. Of course, people already had a head start on collecting up treasures from the flea market and luscious baked goodies from the bake sale well before that.

Then lines formed for the tri tip, chicken, and hamburgers, prepared this year by Yummy's Cuisine. And it was yummy, especially when combined with Ted's famous beans and the other accompaniments.

The day progressed with the very popular beer/wine wagon, soft drinks, bingo, 50/50 sales, vendors, and strategies to be the winning bidder on auction items.

So how did it all shake out? Aside from the great time had by all, the volunteers

outdid themselves on profits. Some highlights include these figures: Flea market busted the old record, with \$500 more than last year; same goes for the bake sale with \$600 past last year's total; beer/wine doubled profits from 2010; 50/50 kicked in \$400 profit; auction increased the take by more than \$700 over last year; outright donations brought in almost \$950. Grand total came to over \$11,500 which is almost \$2000 more than last year.

The Volunteer Association and lots of community volunteers worked months to have such a successful event. Over 70 people pulled shifts during the day in some capacity or another. Another sector is in large part responsible for our little community's success, and that's the donors.

Lots of businesses and individuals donated food or drink, auction items, entertainment and prize goodies, and plain old money. Without them, the continued growth of our volunteer department and contributions to the area's health and safety would struggle.

Rita Donato and Gale Lemas have a list of our generous benefactors. Check it over and take time to thank individuals personally, or visit the places of business and let them know how valuable their support is. You might even want to buy something.

Most importantly, thank you to everyone who came and participated in this happy day. Your support of the community and each other is immeasurable.

#### LIBRARY STUFF

Check it out! Lots of new books and DVDs available in the Aspen Room, thanks to the generous donations from you avid readers and movie viewers.

## **RUNNIN' AROUND**

**Sharna Igou** joined her huge family for a Colorado reunion, leaving Mike and his mother here to hold things together. We don't know if that worked.

**Oswalds** checked in at Portland for some medical testing, and probably a bit of fun thrown in.

**Dan & Meridel** pulled Dan's back together enough for them to celebrate their anniversary at Mt. Rainier.

**Rusts** broke out the camper and wandered the Olympic Peninsula, with stops to check in on children, grandchildren, and friends.

**Jo Halda** spent a month in Mexico, which, according to Tony, was about 30 days too long. Jo probably agrees, but you'll have to get that story on your own.

### **RESORT NEWS**

Bookings at **Crystalwood Lodge** are coming in for 2012. Book your wedding, group or family reunion before Sept. 1 and get 2011 prices for your 2012 event!

Rocky Point Resort is featuring new dinner specials, in addition to the menu items, and watch for details on the Labor Day BBQ. Good fishing - Bill has the record so far- (12 lbs., 11oz and 28 in. long) off the dock. Even with the new and extra tables, we recommend dining reservations.

**Solar Café** is featuring new paintings from Bev Ott, plus cool blue displays of kitchen items. Remember the cookbooks and pies!

## **CONDOLENCES**

. . . To **Tony & Jo Halda** following the death of Tony's mother.

#### **CONGRATULATIONS!**

Jim & Linda Nickels welcomed a new grandson to the family, and some complications with the mother kept Linda on site, smothering the new arrival. Tough duty!

Moving on to yet another generation, **Trish Ziemer** now has her first great grandbaby.

**Tess Dillenberger** was the big kahuna in organizing and displaying her works and the art of others at the recent feature showing of *Small Wonders* at the Klamath Art Gallery. Hope you were able to stop by and check it out.

This is also a great time to thank Linda Nickels, who has taken on the responsibility for mowing the fire hall lawn all summer, as well as the adjacent grassy areas just prior to the BBQ. Great job Linda! Anybody else who could take a turn on this chore and give her a break is welcome.

## **FYI**

Hope you've taken time to look at our public road intersections and notice that we now have signs identifying the street names. The pressure-treated posts, sign manufacture, and installation is all courtesy of a Title III grant administered by Klamath County and managed by the Rocky Point Community Action Team. It couldn't have happened without Commissioner Al Switzer's help in securing the funds and Commissioner Cheryl Hukill's follow up.

All kinds of information is available—the Rocky Point newsletter, area events, resort details, links—on a single website: <a href="www.solarcafeusa.com">www.solarcafeusa.com</a>. Take some time to check it out, while you find lots to do around here, as well as a good source of information.

Rita Donato barely sat down from all her work on the BBQ auction before she hit the organizing trail for the Annual Ladies' Holiday Luncheon. Mark Dec. 10 on your calendar for this awesome day, and give Rita a call to say you'll outfit a table (356-2233). Again, she has a crew of guy gourmet cooks lined up to prepare and serve the typical overthe-top fare to be held at the Cascade Social Club.
