ROCKY POINT FIRE/EMS BOARD

The December meeting opened with
all Board members, Fire Chief, and 7 guests
present. Minutes of previous meeting were
approved, and the Board agreed to pay the
bills.

Chad reported 2 MVCs without
transport, 5 medical calls with transport and
2 without, and 11 CT transports, for a total of
65 calls for the year.

Jerry Higgins, reporting for the VFA,
said the group badly needs a
secretary/treasurer for the organization. Jerry
& Loren are co-chairmen for the Association.
Please contact Chad (281-9405) or Jerry
(356-2455) to help the organization and the
community.

Chad covered the Old Business,
which consisted of a proposal for Fire
District #1 and Steward Lenox #4 to endorse.
The matter is tabled until around March,
2012.

New Business began with swearing
Tony Bixler in to serve the remainder of
Board position #4 until the 2013 regular
election. Chad proposed setting up county
fund deposits so they are available as needed.
Treasurer Terry Roberts would like more
information on how the process would work
and how quickly funds would be available.
The matter will be decided at the January
Board meeting.

Discussion, under Good of the Order,
occurred about the use of the district's
ambulances for non-emergent transports for
Sky Lakes Medical Center. Since we have 2
ambulances, the motion was made and carried
to allow non-emergent runs when both
vehicles are outfitted completely and
functioning as needed. Ambulance #2172
should be completely done in a few weeks.

Non-emergent transports are a way for
the department to earn extra revenue, which
amounted to \$4585 in the previous month.
Right now the service is handled on a case-by-
case basis, as personnel are available. Loren
reiterated that our department is mainly a
rescue and medical fire department, and there
will be times when both ambulances may be
in use locally.

Chad thanked everyone for their
support of the department and encouraged
everyone to help resolve disagreements or
misunderstandings to ultimately benefit our
community. He also introduced 2 young men
who are interested in becoming volunteers in
Rocky Point.

As is typical of Rocky Point, the meeting closed with a party, a send-off for Audie Brown, who has served several years as a Board member.

You're welcome at any of the meetings the 2nd Tuesday of each month. **Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.**

IT'S BBQ PLAN MODE

The first planning meeting for the July BBQ is history. Now the work (and fun) begins, but the whole shindig needs your help. Start by letting **Sheila (541 281-7590)** know you'll be a part of this. Collecting contact names, phone numbers, and email addresses is a critical part of pulling together the 80 or so folks needed to make the day a success. Just let her know your contact information now. Event chairpersons then have a resource for requesting specific help.

RUNNIN' AROUND

Last month we gave a brief account of the **Wicklund** travels south for the holidays. Well, they didn't stop there. The trip continued to Ajo, generating untellable stories with the Oswalds, then looping through Death Valley before returning home.

McIntoshes missed all the Texas storms, but they didn't miss going there to welcome their first great grandson, Matthew William Troutman. **Sullivans** didn't go that far, but they did invite **Doris** to accompany them to the Eureka Celebration of Life for Terry Head. After that heartwarming event, **Loren** stuck around the area for some hunting with sons, while Dee Sullivan continued south to visit with and help a friend with moving chores.

Carl & Brenda Cordes returned to Brenda's roots in Arkansas, where they

celebrated her father's 85th birthday and Carl suffered culture shock. **Mirandas** celebrated another year of marriage with a coast trip to the Mill Casino, as well as other related stops in the area, of a similar entertainment venue.

Speaking of casinos, **Rusts** traveled to Reno to meet up with Illinois relatives, where they had about as much fun as anybody can. Finally, **Wiedemans** watched grandchildren sports events during their trip to Issaquah, WA.

GENERAL HOSPITAL

Jerry Higgins says his eye surgery is one of the best things that's ever happened to him. He has lots of company sharing that view. **Bob Snyder and Linda Berryessa** both spent hospital time receiving treatment for and recovering from disorders. Both are home and doing much better.

Larry Wicklund checked his heart in to RVMC, following symptoms he's experienced before. Medical folks kept his whole body for heart bypass surgery, for the second time.

CONDOLENCES

What an awful month! We share in sympathies for the friends and relatives of our neighbors whose loved ones died. **Richard Chesebro, Faith Foster, George Marchart, & Debbie Wampler**, we shall miss you all.

HOW GREAT IS THIS!

To balance sadness, good news comes in from all directions. You already know the McIntoshes welcomed a new great-grandson. Not to be outdone, **Jeannie Edwards** has twin great-grandbabies, a boy, Keathon Joseph, and a girl, Kianah Marie. **Rusts** are still at the grandchild stage, and

this month brought Lilia Eden Etters, a real treasure for her 2 older brothers.

Other additions came in the 4-legged form, with **Howard and Cyndi** acquiring a puppy named Tug. **Swansons** also added a puppy named Pepper to their menagerie.

Hopefully you saw the gorgeous picture of **John & Agnes Zeman** in the local newspaper. Their children made public 90th birthday wishes for this amazing couple.

FROM THE READERS

Dwight Tracy sends New Years wishes to everyone, but he also sent photos of his Florida tomato crop, which he's very proud of. Admittedly, the ripening orbs do make one a bit anxious for summer to appear in our parts.
