## Volume 17. Number 7

## July 1, 2013

#### **ROCKY POINT FIRE/EMS BOARD**

All Board members, Fire Chief, and 9 guests attended the May meeting. Rita then presented Jerry Higgins, who retired as Captain of the fire department in February, an award for his service from 2001 to 2013.

Minutes of the previous meeting were approved and the treasurer's report accepted. Fire Chief Loren Head reported 9 calls and two nights of training. The Board agreed to possibly sell vehicle 2172, due to mechanical problems. All other equipment is up and running.

The VFA is still looking for a secretary/treasurer. Contact a Board member if you can help. The Board approved contracting Kathy Ross to help with various clerical tasks, service to be paid from the Casual Labor Fund. Rita will contact ODOT about hwy 140 signage.

Old Business covered Terry's work on a brochure to distribute at the July BBQ. No progress has been made on installing access to the septic tank, so that item is on hold for now. The Board agreed on an amount available for purchasing a Fire Chief's truck.

New Business with began of the final Budget announcement Committee meeting. The Board has conducted one interview for the Fire Chief

position, but no decision was made. The Board agreed to participate in mutual aid with other departments. Greg Sullivan is working on continuation of Fire/Med ground service only. Mercy Flight air lift service will be the responsibility of individual customers, but Rita can provide information on that service.

A final reminder that our department desperately needs additional fire and medical volunteers. Please contact the department if you would like to know more, or if you know of someone who might be interested (356-2205).

You're welcome at any of the meetings the 2<sup>nd</sup> Tuesday of each month. Meeting agenda is posted on the kiosk prior to each meeting. Minutes are posted at the fire hall kiosk, and complete meeting notes are available upon request at 356-2205. This Institution is an equal opportunity provider.

## **Attention Fire/Med Ground Transport** Service Carriers.

The fire department is updating and confirming dates of your subscription. Please call Rita (541 356-2233) with the expiration date listed on the back of your card.

Mostly these people need manpower to help in the various areas. If you're available, give one of them a call and offer to staff a shift or help with whatever they need.

You can also help by spreading the word. Flyers are available for posting or forwarding electronically. Call any of the above people or Mata (356-2236) if you would like a flyer. Above all, call one of the 2 head honchos if you can lend a hand, **Kathy Ross or Rita Donato** 541 281-4704, 541 356-2233).

## MR. CLEAN

Thanks to the dozen or so people who showed up to seriously collect litter from Rocky Point Road. Thanks also to the others who routinely pick up roadside trash during walks. Motto of the year – "Rocky Point is not your ashtray."

## **RUNNIN' AROUND**

The **Sligar/Malone** trip of the month included Plush, Hart Mountains, Summer Lake, sunstone collecting, and floating the Ana River.

**Rusts** returned to the old country (Indiana and Illinois) for a 50<sup>th</sup> high school reunion and cuddle time with son Adam and his family. **Margaret** also worked in granddaughter time with a trip to Portland.

Then there were family special events. Loren & Elaine attended the wedding of Elaine's granddaughter in Georgia, arriving back in Oregon in time for a grandson's graduation. Terry & Rosie also helped a grandson graduate in Vancouver, returning with other grandsons. Oswalds attended a California wedding, followed by a friend connection in Reno.

Agnes visited kin in Seattle, and the **Blacks** checked in with friends first in Redmond, where they took in the rodeo, then to Sun River. **Dee Sullivan** abandoned Greg for friend time in Sacramento, followed by girl days in Sisters, OR.

**Christy McLaren** went running around Las Vegas and Hoover Dam, where, by her own admission, she whined and complained a lot. She didn't complain at the Lake of the Woods run however.

Wes & Gayle James crossed a lot more geography with a trip to Ecuador, with reports of a very good time.

#### **CONDOLENCES**

Former Klamath Union athletes and students, lots of Rocky Pointers, and the whole Klamath Community will miss the wit and kindness of **Ralph (Baldy) Foster,** who recently died.

Sympathy to the **Hills,** following the death of Deb's father.

All of us who knew **Riley**, kind and faithful black lab companion to the Ziemers, will miss him almost as much Trish will.

#### **GENERAL HOSPITAL**

Harold Seeley, Tony Halda, and Glenn Ross were all guests at Sky Lakes this month. We wish them all healing success.

#### GOOD NEWS

Congratulations to **Joe Miranda**, who graduated from OIT, and his wife **Tara**, who received her masters from U of O this June.

How thankful we all are that the **Wicklunds** escaped injury when a big rig ran into them, their truck, and the RV. The only bad news is they missed their annual trip to the Malheur. But that didn't stop Larry's brother and the **Van Hulzens** from continuing on the birding expedition.
