ROCKY POINT FIRE/EMS BOARD NEWS

June meeting pulled together all Board members and 9 guests, where they accepted the resolution for the upcoming year’s budget. They also heard Mike’s accounting report and agreed to pay the bills.

Fire Chief summarized the month’s 5 responses—2 medicals, 2 vehicle accidents, and 1 transfer to Medford. Some repairs were required on equipment, which required some down time. Volunteers logged 47 hours of training, and Quilt used the Aspen Room 5 days.

Chad, reporting for the Volunteers, said all is on track for the BBQ. He also reminded everyone that a household can be covered for ambulance service for \$150 for 2 years. Airlift service is also available for \$35 per year per household. You’re encouraged to take advantage of these services, since transport services can be very costly.

Bob Luther and Larry Wicklund are concluding their service as Board members and will be replaced by Dean Grieb and Mike Igou. Audie Brown agreed to serve another 4-year term. Many thanks to the former members for their valuable help, and welcome to the incoming members.

New business consisted of news that additional No Burn signs will be appearing on Highway 140. Also, the Board agreed to

automatically provide ambulance service to annual donors. Contact a Board member for details.

The meeting concluded with thanks to departing Board members and Loren for their tenure in administering our very important department, complete with refreshments provided by Terry Head and Debi Luther.

You’re welcome to attend Board meetings the second Tuesday of every month.

Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.

THE BBQ WAS HERE!

And what a day it was. Tons of you served, baked, set up, tore down, cooked, brought and bought fleas, ate, bid, drank, visited, and attended, on a most gorgeous day. In spite of a rather shaky economic picture, the event still netted somewhere around \$10,500, a very healthy sum for a small community. Thanks to the Volunteer Firefighters’ Association for spearheading this annual fling, and thanks to all of you who supported in any way.

RUNNIN’ AROUND

Al & Jean Vanhulzen are back from a jaunt to Minnesota, where they visited relatives and probably also scoped out birds of the area. The globe-trotting **Kings** made their way in a different direction, to El Paso. **Griebs** hit southern California twice, once to help a cousin retire, then again for a family reunion. Of course, they didn't hurry to or from either destination, so they have stories.

Rusts camped their way up Vancouver Island, through the inland passage, and into parts of Northwestern British Columbia and a tiny spot of Alaska. **Hedges** got their thrills hitting the coastal dunes, with a stop or two at casinos in the area. **Sharon Sligar**, in keeping with her thrill-seeking focus, hiked, biked, and kayaked pretty much all the terrain on the southern Oregon coast and the Highway 138 waterfalls attractions.

. . . To **Joe Miranda**, who became engaged to Tara Campbell on her college graduation day. He's also finishing his Marine career this month and is headed back to start degree work at OIT in September, while getting ready for next July's wedding.

. . . To **Annie Wicklund** for setting a new record in flea market sales at the BBQ.

GENERAL HOSPITAL

Wishes for complete and rapid healing to **Agnes Zeman and Marcia Seyvertsen**, both of whom had surgery.

FROM THE READERS

The Rocky Point Firefighters Association would like to thank the entire Rocky Point community for the wonderful response to the July 18th fundraiser at the Fire Department. Whether you were there as a "worker bee", a donor to the auction or bake sale, or just there to enjoy the event, all the

Rocky Point Firefighters want to thank you for your participation. This event takes months to organize, and it is very gratifying when all the pieces come together. Thanks to everyone's hard work we were able to raise over \$10,000. This money will be used by the Firefighters Association to purchase items that will help us serve the Rocky Point community. Thanks again for everyone's hard work, and we hope you had some fun during this special day.—*Greg Sullivan*

Donnalea Norris passes on word from Centurytel that there's a possibility of getting DSL service in Rocky Point, IF enough people call and put their names on the extended area list for the service. If you would like to register your desire for the service, do so by calling 1 800 201-4099.

The Running Y is collecting **donations of clothing** for Klamath & Lake Community Action Services Project Homeless Connect on August 14 at Veteran's Park from 9 am to 2 pm. During this one-day community-wide event, homeless individuals have access to a variety of immediate services including employment, medical care, food, haircuts, and much more. If you have any clothing you can donate, please drop it off at the Running Y Front Desk anytime up until August 10. Thank you!

George at Lake of the Woods says they'll be open this fall and into the winter, with the pizza parlor open on weekends and cabins available. Attention fishermen—catching is good at the lake right now.

With the dust still settling from the BBQ, plans are forming for the October Fall Festival, bake sale, and bazaar. Stop

by the Aspen Room any Tuesday morning to see what you can do for this important event. Of course the organizers need help on the day of the October 18th bash, but baked donations and bazaar items are also critical. And don't forget to purchase raffle tickets for the annual opportunity quilt, the proceeds designated for rescue air bags for our volunteer fire department.

PARTING CHUCKLE FROM A READER

After starting a new diet, I altered my drive to work to avoid passing our favorite bakery. However, I accidentally drove by the bakery this morning.

As I approached, there in the window were tons of goodies. I felt this was no accident, so I prayed ... "Lord, it's up to you; if you want me to have any of those delicious goodies, create a parking place for me directly in front of the bakery."

And sure enough, on the eighth time around the block, there it was!
