ROCKY POINT FIRE/EMS BOARD NEWS

All Board members, Fire Chief, and 1 guest held court at the May meeting, which began with routine minutes and financial reporting.

Chad reported volunteer responses to 2 medical calls, 1 without transport, as well as 1 MVA without transport. No training was reported.

VFA reminded everyone about the July 16th BBQ. Several donations have been received, as well as some declines due to the economy. Diana requested permission to purchase a new grass catcher for the lawn mower, since the old one was damaged.

Old business began with the repeat on not having heard anything back on the state audit. After going over rig 2191, Mike Hiatt declared it fit, so it'll be equipped with radios and equipment and renumbered 2172.

Under new business, the Board issued a reminder that Fire Med annual membership is \$125.00 per household. Pick up applications at the fire house and return the 2-sided form with a check.

The single announcement was a big Thank You to all the community and fire volunteers who cleaned up the fire house on May 7th. Quilt supplied a great lunch for all.

With business complete, the meeting adjourned. You're welcome at any of the meetings the 2nd Tuesday of each month. *Complete & official minutes available at Fire Hall, 356-2205. This Institution is an equal opportunity provider.*

RUNNIN' AROUND

You guys ran all over the world this month! **Sullivans** started with a great fishing expedition to Alaska, then checked in for a couple of days before heading to an oyster gala in California. **Doris Dandurand** spent two weeks in our other non-contiguous state of Hawaii, playing with family.

Dan & Meridel get the distance award for their jaunt to Russia. **Donatos** went way east to Maryland for a grandchild's graduation and family time. **Jerry & Pat Higgins** headed east also, to Ohio and other parts of that country.

Griebs crossed a state line to Idaho, for a shed-building expedition for Dean's brother. **Oswalds** wandered up the Willamette Valley for daughter Keely's official masters degree award. Also on graduation travel were the **Wicklunds**, who hung with family in Bakersfield.

Play time came for **Terry Roberts** with train entertainment in Portland. **VanHulzens** were finally able to get past high-water conditions and enjoy bird watching in Eastern Oregon, in and around the Malheur.

Probably the best travel news comes from the Heads. **Terry and Loren** spent a long weekend at the northern California coast, celebrating their grandsons' respective graduations, as well a belated birthday party for Terry.

RESORT NEWS

Summer came to **Fish Lake Resort** too, and Deb & Jim are open full time with great food and awesome fishing.

GENERAL HOSPITAL

Alice Veitch didn't miss a slam in her tennis game, before heading to the hospital for emergency surgery. She's definitely on the mend, with lots more tennis games in her.

CONDOLENCES

For the first time in many months, this heading has absolutely no entries, and that's definitely good news.

CONGRATULATIONS!

Janet Tarjan Erl will be exhibiting her paintings and demonstrating at the Meet and Greet the Artist Showing at the Second Street Gallery in Bandon, Oregon, June 18th from 11:00 - 4:00, and June 19th from 11:00 - 3:00. Bandon is a beautiful place to vacation, and this is a perfect time to see some of Janet's award-winning Bandon and coastal paintings. Janet is a Signature Member of the National Watercolor Society and a juried member of the Watercolor Society of Oregon. She has exhibited in and won many awards in international juried art exhibitions. Her work is in noted museums and private collections, and she has been featured in several art publications.

. . . to **Gina Cavellini**, who celebrated her June birthday in Rocky Point and will be back with family this month.
